Thank you Jenny. And, also, well done to you and Alan for leading efforts on the CZARA decision. Big deal and you all's process was very inclusive.

Peter,
Sounds good and thank you for spearheading these logistics.
In terms of dates, this is on the edge for me, given (b) (6). There is a real possibility that I will not be able to travel to Portland. If that changes I'll communicate that to you all.

Hi all,

Josh Seeds has reserved conference room 11 at DEQ's HQ for our meeting on the 17th. You will have to check-in on floor 10. EPA staff from Seattle will be arriving between 10:30 and 11:00 and ODF staff will join us between 11:30 and noon. NMFS staff may be joining us as well. Again the meeting will focus on ODF's Riparian Rule analysis followed by a discussion on NOAA/EPA's recent CZARA decision. I will be working with Kyle on an agenda.

Feel free to give me a call if you have any questions.

Alan
